

# THE ACE COMPEERS

AN EDUCATIONAL CHILDREN'S BOOK SERIES AND RESOURCE  
ON RACE AND RACISM

**INTERACTIVE PRESENTATION  
WITH THE AUTHOR  
INFORMATION AND PRICING**

## About the Author Visit and Interactive Presentation

Our author visit and interactive presentation offers a dynamic learning experience for students. With a captivating blend of storytelling and mini lessons on the science of skin colour and the history of race, this session makes complex topics accessible and engaging for kids. By reading excerpts from the multiple award-winning book series, "The Ace Compeers," the author inspires students to learn about these important topics while exploring literature. There are engaging discussion questions throughout the presentation and an interactive Q & A session at the end, which allows students to have the opportunity to ask questions, encouraging curiosity and gaining direct interaction with the author.

In just one hour, this presentation delivers a unique educational experience that supports critical thinking and promotes inclusivity, all while *aligning with your school board's policy on equitable and inclusive education.*

### Benefits of Booking this Educational and Interactive Visit:

- **Engaging Lessons:** A captivating session that blends storytelling with mini lessons on the science of skin color and the history of race, making complex topics accessible and engaging for students.
- **Critical Thinking:** Promotes critical thinking and open discussions on race and diversity, encouraging students to explore their perspectives and broaden their horizons.
- **Discussion Questions:** The presentation includes thought-provoking discussion questions, fostering meaningful classroom conversations on important societal issues.
- **Interactive Q & A:** Provides a platform for students to ask questions, encouraging curiosity and enabling direct interaction with the author.
- **Inspiring Reading:** Reading excerpts from the multiple award-winning book series, "The Ace Compeers," inspires students to continue to love learning and reading!
- **Empowering Education:** Includes impactful lessons that actively contribute to your school board's policy on equitable and inclusive education.
